About our Keynote Speaker...

Bill Conklin has been Pastor of Covenant Restoration Ministries in Traverse City, Michigan for the past 13 years. He began teaching spiritually rooted health principals after being introduced to them over 7 years ago.

He has been married to Diane for 25 years, and they have 5 children.

When asked to describe the conference", he described it as being an informational and promotional conference to help people come to know that there are answers in the Bible relating to the cure or the cause of many sicknesses and disease and the prevention of disease. Twenty years of research of medical findings and conclusions of various diseases, along with Biblical principles and spiritual discernment, identify possible spiritual roots to these diseases and form the basis of the materials presented in the first three days of this conference. There will be a time of corporate ministry after the three day conference and time will be taken to answer people's questions regarding particular diseases and their root issues.

What is a "Be In Health™" Conference...

A Be in Health™ conference involves progressive teaching to unravel the mysteries of disease as well as to reveal pathways to health and wholeness. Can a disease be spiritually rooted? Have efforts spent on traditional understanding of health and disease left you with little change and more questions about where God is in everything? Learn how to defeat and prevent disease by using the discernment God has given mankind to produce wholeness of spirit, soul and body. With each teaching session a foundation of knowledge is built that leads to the next. We strongly suggest attending the entire conference.

Topics covered during the Be In Health™ conference include: Theology of Healing, Theology of Disease, Pathways to Health and Wholeness, Spiritual Roots to Disease, Blocks to Healing, 8 Rs to Freedom, Spirit World Realities, Disease Classes (such as autoimmune system & cardiovascular disease), Testimonies and a Time of Individual Ministry.

What is a "Kingdom Dynamics" Conference...

During the Kingdom Dynamics conference Pastor Bill will present topics that he has developed during his 13 years of Pastorate of Covenant Restoration Ministries in Michigan. (Note: since this portion of the conference is from Pastor Bill Conklin's personal ministry it will not be listed on the Be in Health™ website.)

Topics covered during the Kingdom Dynamics conference include: What is a Covenant, Who is this God that makes Covenant, Covenant of Redemption, Covenant of Noah, Covenant of Abraham, Covenant of David, The New Covenant and the Covenant Meal, The Kingdom of God: What is a Believer's Responsibility in Light of it, Biblical Responsibilities of Male and of Female. On Tuesday morning, his wife Diane will present the topics of The 7 Deadly D's and Discernment vs. Divination.
